The tables above include tuition, fees, insurance, and living expenses for one summer term (3 months). The separate Summer insurance amount is included regardless of whether the student paid the Spring/Summer insurance or not. The amounts listed are estimates and include the nonresident rate for tuition and fees. Actual cost of attendance will vary due to course selection, program fees, and optional costs. These estimates are subject to change. <https://global.tamu.edu/iss/resources/costs-and-financial-documents/#Cost-for-Students>
