Dependents

Dependents are spouses and unmarried children under the age of 21. If you plan to bring your dependents to the US with you, please complete the Request for DS-2019s for Dependents form found on our [website](#).

Insurance Requirements

As an Exchange Visitor to the United States you must carry health insurance for yourself and your J-2 dependents for the full duration of your J program. Government regulations stipulate that if you willfully fail to carry health insurance for yourself and your dependents, the J-1 sponsor must terminate your program and report this termination to the US Department of Homeland Security.

You can read about the health insurance requirement on our [website](#).

International Student and Scholar Services reserve the right to conduct periodic health insurance audits throughout the year. You will be notified by email and asked to send us proof of coverage.

Provide additional information we should be aware of on a separate sheet.

I have read and understood this questionnaire. The information I have provided is true to the best of my knowledge.

I have read the health insurance requirements for J-1 and J-2 visitors. I am aware that I must maintain insurance coverage for myself and all J-2 dependents for the duration of my J-1 program. I understand that failure to maintain this coverage for myself and all J-2 dependents will result in the termination of my J-1 program.
